**Thursday 6<sup>th</sup> May**

**Gary Grindal** (aged 49) has lived in the Wilbury Ward for 23 years, he is married with 3 children all of whom have attended or are attending the local Wilbury schools. Gary has continued to represent the residents of the Wilbury Ward since being re-elected to North Herts District Council in 2007.

Gary continues to be busy with casework on behalf of individuals and local resident groups from within the Wilbury Ward. His work at the Council has seen him appointed as the Labour spokesperson for Housing.

In addition to his Council work, Gary remains an active member of the Management Board of the Howard Cottage Housing Association and is Chairman of their Housing Services Committee.

In his spare time, Gary co-manages a youth football team for the Letchworth Garden City Eagles.

Living in the Wilbury means that Gary has first hand knowledge of what the Wilbury issues are and is well known to many residents who often stop him for a chat. He is the only Wilbury Councillor to write to every home in the Wilbury providing all residents with the opportunity to contact him and to tell him what the Council's priorities should be. He is the only Wilbury Councillor, who through the issue of the 'Wilbury Rose' newsletter writes to every home to keep residents informed on local issues.

Gary is currently busy:

- ❑ **fighting to protect the Wilbury from the proposed onslaught of construction traffic that will form part of the Network Rail proposal for the Hitchin rail link**
- ❑ **fighting to seek improvements to some of the worst road surfaces in the Wilbury like Runnalow and Mullway**

Gary says: "There is much work to be done to deliver improvements that will benefit all the residents of the Wilbury. I will continue to find ways to involve Wilbury residents in shaping the Council's priorities and in seeking the enhancements to the Wilbury that local residents want!"
